WORDS FROM THE COMPILER.

THE tables of Dakota, Minnesota, and Tennessee were not received until Dec. 21, 1883. From that date the compiler and printers have pushed their work as diligently as possible. Two months are needed, after the last tables are in hand, for the completion of the summaries and lists, and the printing of them, with reasonable care; and if the *Year-Book* is to be ready, as it should be, on Jan. 1, the compiler must have his material by Nov. 1. If the churches will see to it that he has returns at that date, he can undertake to meet the general desire for the issue of the *Year-Book* with the new year, but not otherwise. This is certainly possible. The Kansas Association was the last of all to meet, on Nov. 14, but the Kansas tables were received very promptly; and if New York and Minnesota had been as prompt, after their meetings, their statistics might have been forwarded before November. The statistics can certainly be gathered, tabulated, and put in type, before the meetings, which would gain somewhat by having them in this form; and it seems not unreasonable to ask that the States whose meetings are held in the later autumn should so far consult the desires and convenience of the body of churches as to make this change in the time of collecting and tabulating their returns.

In this connection, attention is due to the following resolution, adopted by the National Council at Concord (*Minutes*, page 13):—

"*Resolved*, That all States, the date of whose statistics is now earlier than June 1, be recommended to bring them up to that date, and that the date in no State be placed later than Oct. 1."

It would promote a very desirable uniformity in the date of all the statistics if the States meeting in June, or earlier, would conform to the first part of this recommendation; and if the other States instead of October would fix July as the beginning of their statistical year. This change would give the additional time, but scarcely more than is needed for collecting and printing their statistics before November; and the *Year-Book*, issued Jan. 1, of each year, would then give the statistics of all the churches to a nearly uniform date, only six months previous

If space permitted, the compiler would here repeat and emphasize every word used by his predecessor last year in reference to the construction and improvement of the State Minutes. He begs to call the especial attention of statistical secretaries and all concerned to the points noted on pp. 5 and 6 of the *Year-Book*, 1883, and to say that his own experience shows every one is well taken. Will not the secretaries give them due weight in the construction of these Minutes?

A great improvement has been adopted by some of the larger States to their own satisfaction, and to a great saving of labor and chance of error for the *Year-Book*. This is the alphabetical arrangement of all the churches in one statistical table. The local associations or conferences of churches are properly given in separate lists. If all the States would adopt this arrangement, its greater convenience must quickly commend it.

The National Council in 1880 (*Minutes*, page 17) adopted significant resolutions on the subject of ministerial standing, which seem, in some States, scarcely to have received due attention in making up the roll of ministers. The secretary of the Council must follow and rest upon the authority of the various State secretaries.

How far they should use their discretion, and how far they do so in practice, in recording or continuing names on the roll, of ministers not serving churches or reported by local associations, is a question frequently raised. It is desirable not to omit worthy ministers who continue in good standing; it is most important not to permit the intrusion of the unworthy; and injustice is liable to be done without more uniformity of practice, if one rule obtains in one State and a different one in the next. If the spirit of the resolutions mentioned would aid in reaching better results, it is important that due weight be given them.

Some errors will be found in the summaries, under the States, in the tables. These have been corrected as far as possible in the General Summary Tables, pages 206–218, and special attention is requested to the fact that the authoritative figures are in these summary tables, and that the earlier figures, when they differ, should be corrected accordingly.

Three churches were accidentally omitted in making up the Nebraska table,—West Cedar Valley, Wheeler, and Willow Valley. The Rev. Henry Griffiths, of Neligh, also ministers to the first two, and the latter is vacant. They are properly counted in the summaries.

In Pennsylvania, twenty-five churches again fail to make any report, and it is fair to presume that the apparent loss of 1,074 members in that State is chiefly due to this fact. If the summaries be corrected in accordance with this assumption, the total membership of the churches would be 397,320, and the gain of members for the year, 9,701.

The compiler cannot deny himself the satisfaction of recognizing here and returning his hearty thanks for the kind and earnest spirit of co-operation with which the compilation of this *Year-Book* has been favored on every hand. If he were to name the statistical secretaries who have done their best to aid him, he would simply have to repeat the catalogue; and there are none of the number to whom he looks with more confidence for the best results in their power in remedying vexatious delays than to the secretaries of Dakota, Minnesota, and New York. The latter kindly furnished his tables in beautiful "copy" quite ready for the printer; and the Minnesota secretary sent half of his tables also in manuscript. If the suggestions made above as to the date and issue of the statistics of the various States prove as feasible as they seem, and are responded to in the same hearty spirit of co-operation, the compiler believes there is no good reason why the next *Year-Book* may not be issued Jan. 1, 1885. He will do his best to meet the wishes of the churches and of the public in this regard.

It is not invidious, and is a matter of simple justice, to add that this *Year-Book*, like its predecessors, owes much to the care and diligence of Miss Mary E. Stone, the assistant librarian of the Congregational Library; and to the skill and patience of the compositors and proof-readers of Messrs. Alfred Mudge & Son thanks are also due.

Will not every minister who finds his name in this *Year-Book*, but not his ordination date, send at once a postal to the secretary giving the place, year, month, and day of his ordination, that the next *Year-Book* may give every date?

HENRY A. HAZEN, *Secretary.*

TREASURER'S STATEMENT.

At the meeting of the National Council in Concord the following resolutions were passed by unanimous vote, after accepting the report of the Finance Committee: —

Resolved, 1.— That the Treasurer, assisted by the Chairmen of the Provisional Committee and Committee on Finance, be, and is hereby authorized to solicit of individuals and churches the sum of $3,000, to be held as a reserve to meet exigencies.

Resolved, 2.— That the treasurers of the State Congregational bodies be urged to the earliest possible collection and transmission of their respective collections.

Resolved, 3.— That the churches be invited to contribute, to support the work of this Council, two cents for each church member for each of the years 1884, 1885, and 1886.

Resolved, 4.— That the action of the Treasurer in giving early information to the churches of the state of the treasury is approved, and that he be authorized to act at his discretion in securing relief in time to come.

Resolved, 5.— That the report of the Treasurer, to be published in the next Year-Book, include all payments made by the churches before Jan. 1, 1884.

The passage of these resolutions with great apparent zest, after the statements of the Finance Committee, influenced the Treasurer to continue in service, hoping that in due time the special burdens and perplexities of the office would be removed by the prompt action of the churches. Assurances of this were freely given at the time; but it remains to be seen what the churches will do in the matter. On the 1st of January, 1884, the treasury was overdrawn to the amount of $2,096.23, with $2,035.11 still due from churches on past assessments. Within three months the bills for Minutes and Year-Book of 1884 must be met. In 1881 the cost of these, with incidental expenses, was $6,197.71. As a larger edition is published this year, the expense will be proportionately greater, and cannot be reasonably expected to fall much short of $7,150.00. It will be seen, therefore, that prompt payment of the assessments, by the churches, is demanded by every consideration of equity and economy. If the action of the last Council is practically indorsed by the ministers and churches, and by individuals of ample means, we may hope to see the treasury in a condition more creditable to its integrity when the Council meets at Chicago.

In the following list of constituent bodies and their assessments, where there are no figures in the first column, all dues are paid to Jan. 1, 1884. The figures for 1884 are based upon the members reported in the Year-Book of 1883. It will be seen by a comparison of this statement with the Treasurer's report in the Minutes that several States have paid in full since the meeting at Concord. If all had done this, we should have commenced the new year with a small balance in the treasury, not counting what has been paid on Year-Book for 1884. As the Pennsylvania statistics have been in a somewhat chaotic state, and some of the churches have paid through other State organizations, the Year-Book of 1883 is made the basis of a new account with that State. The Treasurer's accounts are governed by State limits, and all who remit to him should note this fact.

COMMITTEE ON A CREED.

Rev. CONSTANS L. GOODELL, D. D. ..... St. Louis, Mo.
Rev. RICHARD CORDLEY, D. D. ..... Emporia, Kan.
Rev. GEORGE MOOAR, D. D. ..... Oakland, Cal.

In making the selection, different sections of the country have been drawn upon somewhat in proportion to the membership of the Congregationalist churches in each. The list embraces men who are understood to represent different shades of opinion while holding fast to the essential truths of the gospel. With a large proportion of pastors are joined representatives of theological seminaries and colleges, of the religious press, and of the missionary work of our churches. Letters responding to these appointments indicate that those designated will enter on the work with interest and hopefulness, and that they will be able to co-operate in mutual respect and congeniality of spirit and aim for the important object contemplated. The recent National Council at Concord reiterated the hope and desire for a report from this important committee. It is publicly announced that, at a recent session, results were reached which give reason to hope for its report "to the churches" at no distant day.

Note. — The limitations of the tables do not in all cases admit exactness. In the table of theological education, students who did not graduate are counted, and without distinction from graduates; but a name occurring in more than one seminary list is not repeated; and in the college lists a few students who were not alumni are counted with the graduates.

The editor renews his earnest request to friends and to the secretaries of the State bodies for prompt information of the death of Congregational ministers, and for full and exact information on the model of the sketches above given. Obituary and eulogy beyond, it is impossible to use here.

OUR PRESENT FIELD includes twenty-one missions, the statistics of which are exceedingly instructive, illustrating both the breadth and variety of our work. This work embraces direct evangelistic effort through missionaries and native helpers; an immense educational trust extending from the primary school to the college and theological seminary; Sunday-school instruction; the preparation, publication, and circulation in different languages of books, tracts, and newspapers; assistance in the erection of buildings for churches and schools; grants in aid to feeble churches and to native home-missionary societies; the humane service of missionary physicians, sometimes in the care of large dispensaries and hospitals; also charitable ministry, continuous and varied, to the sick, the poor, and the oppressed. All these departments upon the foreign field are economically managed under one efficient and experienced administration.

OUR PRESENT FORCE, now occupying eight hundred and twenty-two stations and out-stations, numbers one hundred and forty-six ordained missionaries, of whom five are physicians, nine physicians not ordained, two of them women, and two hundred and fifty other assistant missionaries, making a total from this country of four hundred and five. Our native force is more than four and a half times this number, a total of 1,824, of whom five hundred and twelve are native pastors and preachers.

OUR NATIVE CHURCHES, two hundred and seventy-five in number, not including those of the Hawaiian Islands, enroll 19,354 members, of which number 1,715 were received last year, on confession of their faith in Christ. These 19,400 members of native churches, giving round numbers, are distributed as follows: Papal lands, 400; Africa, 600; China, 1,000; Japan, 1,100; Micronesia, 3,500; India and Ceylon, 5,400; Turkey, 7,400. The Hawaiian Islands would add several thousand more.

OUR TRAINING AND THEOLOGICAL SCHOOLS, including station classes, fifty-seven in number, are giving instruction to 2,066 young men, many of them fitting for the Christian ministry.

OUR GIRLS' SCHOOLS, of the higher order, thirty-nine in number, enroll 1,549 pupils, many of them fitting to be teachers, many of them to be Christian wives and mothers, constituting the educational power of Christian homes for the next generation.

OUR COMMON SCHOOLS, eight hundred and thirty-five in number, enroll over 31,000 pupils, making a total of 35,700 under Christian instruction. These 35,700 persons under instruction, giving round numbers, are distributed as follows: China, 400; Japan, 300; Papal lands, 300; Africa, 1,600; Micronesia, 2 000; Turkey, 14,600; India and Ceylon, 16,500. These figures do not include the additional thousands of the Hawaiian Islands.

REGULAR DONATIONS FROM THE CHURCHES, which during the past four years, including what was received through the woman's boards, have averaged about $358,000, need to be doubled in order to meet the demands of our growing work. With the exception of new missions, to which what remains of the Otis bequest has been set apart and appropriated by the Board, the entire work, including all evangelistic and educational advance, must be sustained by the current annual receipts. The need of greatly enlarged donations from churches and individuals must be apparent to every one. May we hope for a contribution, as generous as possible, not only from every church, but also from every individual who desires to be personally identified with this broad Christian work? Our main instrumental reliance for awakening and deepening missionary interest is upon pastors, sustained by their churches.

DETROIT, Oct. 2, 1883.

AMERICAN COLLEGE AND EDUCATION SOCIETY.

Formed by the union in 1874, of the "American Education Society" and the "Society for the promotion of Collegiate and Theological Education." The American Education Society was organized and received its charter from Massachusetts in the year 1816. The College Society, as the other organization was popularly called, was formed in 1843. It was for years a voluntary association without a charter. In 1872 it received a charter also from the State of Massachusetts. These two organizations were brought together under a new charter from the same State in May, 1874.

Officers, 1883–84. (Office, No. 10 Congregational House, Boston, Mass.)

President. — Hon. Nathaniel Shipman, of Hartford, Conn.
Vice-President. — Rev. Isaac P. Langworthy, D. D., Boston, and Samuel Holmes, New York city.
Secretary. —Rev. Increase N. Tarbox, D. D., Boston.
Treasurer. — James M. Gordon, Boston.
Assistant Treasurer. — Rev. A. H. Clapp, D. D., Bible House, New York.

Income for the year ending April 30, 1883, $176,182.03. Of the whole income, $135,294.11 was contributed for colleges and paid to them. The sum of $18,650.00 was paid to students fitting for the ministry. The balance was for current expenses.

In both departments the Society has had a large agency in the formation of society throughout the great West. The men who were pioneers in the work of preaching the gospel in the new settlements, and in the founding of churches and schools, were largely educated by this Society The colleges which are now among the foremost in these Western fields were largely built up by the same agency.

The whole number of young men assisted by the Society in their studies for the ministry since 1816 is 7,035. The institutions at the West which have been assisted by the Society since 1843 are the following, viz.: Western Reserve, Illinois, Wabash, and Marietta Colleges, and Lane Theological Seminary. These five are the institutions which the Society took under its care at the beginning, in 1843. Those which have since been received on the list are Knox, Beloit, Thayer, Wittenberg, Oberlin, and Berea Colleges, the College of California, Pacific University, Olivet, Ripon, Iowa, Carleton, Doane, Drury, Washburn, and Colorado Colleges, and Pacific Theological Seminary.

During the past year Olivet and Washburn Colleges, and Pacific Theological Seminary have passed off the list, and Whitman College, Walla Walla, Washington Territory, has been taken on.

The number of young men now receiving assistance from the Society is not far from 270.

At the time when the Education Society began its work of helping young men into the Christian ministry, in the year 1816, the condition of things in this country was very peculiar. The great movement of emigration toward the West was setting in with strength. The American Board had been organized a few years before, and the cause of Foreign Missions was taking strong hold upon the churches. But "the laborers were few." Ever since the close of the Revolutionary war, the churches had been in a confused and preoccupied state, and the number of men coming forward for the work of the ministry was alarmingly small. It was in such a state of things that this Society began its enterprise. Through the aid thus afforded, and through the impulses thus imparted, a host of living preachers was raised up to go with the moving colonies out into the fields of the West, or to go far hence to the Gentiles, to proclaim the Gospel of salvation through Jesus Christ. A work of inestimable importance for the Christianizing and civilizing of our own land was accomplished by this instrumentality. The ministers raised up by this Society became to a large extent the pioneers in the way of founding churches, schools, colleges, throughout all those Western fields, while in foreign lands half the missionaries laboring under the care of the American Board had been brought forward in the same way.

I do hereby give and bequeath to the "American College and Education Society" the sum of —— dollars, to be paid within —— months after my decease, and to be applied to the uses and purposes of that Society.

THE AMERICAN CONGREGATIONAL ASSOCIATION

WAS organized May 25, 1853, at Boston, and received its charter from the Massachusetts Legislature, April 12, 1854. Its present officers are :—

SAMUEL D. WARREN, Boston, *President.*
RUFUS S. FROST, Boston, *Chairman of Board of Directors.*
SAMUEL T. SNOW, Boston, *Treasurer.* [*Librarian.*
Rev. ISAAC P. LANGWORTHY, D. D., Boston, *Corresponding Secretary and*
Rev. DANIEL P. NOYES, Wilmington, Mass., *Recording Secretary.*
Miss MARY E. STONE, Boston, *Assistant Librarian.*

DIRECTORS.—Rev. Alonzo H. Quint, D. D.; Rev. H. M. Dexter, D. D.; Hon. Rufus S. Frost; Rev. N. G. Clark, D. D.; Hon. James White; Frank Wood; Rev. Jos. T. Duryea, D. D.; Rev. John L. Withrow, D. D.; Rev. Joshua Coit; Marquis F. Dickinson; Edward A. Studley; S. Brainerd Pratt; Rev. I. N. Tarbox, D. D.; together with the Treasurer and Secretaries.

The object of this Association is "to establish and perpetuate the religious history and literature of New England, and for the erection of a suitable building for the accommodation of the same, and for the use of charitable societies; also to do such acts as may promote the interest of Congregational churches," etc.

Its library is intended for reference, having as its specialties everything published by the Pilgrims and Puritans, and their predecessors, contemporaries, and successors, which states or illustrates the principles and polity of Congregationalism, its history, its doctrine, its influence, and indeed the same things in regard to every denomination; thus everything ecclesiastical, — theology, controversy, results of councils, sermons, church manuals, minutes of religious bodies, *every one;* Year-Books, and all such like; also all local histories, county, State, and United States histories, genealogies, centennial, ordination, funeral, and all historical sermons, all commentaries on the Scriptures, every biography, national, State, and municipal statistics, printed reports of all kinds, catalogues, obituary records, and inaugurals of all our literary institutions, together with any manuscripts, autographs, or mementos which relate to the objects above named.

On the 20th of May, 1883, the library had 29,995 books — 6,258 of which were duplicates — and over 130,000 pamphlets, including duplicates, secured almost exclusively by gifts, as there has never been a dollar appropriated from the building fund with which to buy a book, nor can there be until the present onerous debt is greatly reduced. Duplicates furnish a basis for exchanges, for which the Librarian has large facilities, and of which he avails himself to the uttermost; and in this way he can assure all kindly disposed persons that they can send him no printed pamphlet or book that he cannot make useful here.

The Library has now more of the early publications of our country and of the mother country which illustrate the principles and relate the deeds of our first settlers than any other public library in the United States; but it is still lacking very much of this sort that is scattered here and there, essentially useless where it is, but would be invaluable here; also much more of the later and contemporaneous issues of the same general character found in every parish and town more or less. Now, let these be collected and sent here by some good friend in each church, as a few have already done.

The Congregational House is a four-story granite structure, one hundred and three feet on Beacon Street, and ninety-three feet on Somerset Street, having stores on lower floors on Beacon Street, and rooms above for the A. B. C. F. M., the Woman's Board, the American College and Education Society, American Missionary Association, City Missionary Society, Woman's Home Missionary Society, Massachusetts Home Missionary Society, American Peace Society, the *Congregationalist*, etc. The fire-proof library room is in a connected building; accessible, light, pleasant, safe, and has capacity for more than 100,000 volumes.

The great WANT of this Association is the hearty sympathy and co-operation of every Congregationalist, expressed in "one fair contribution" from each of the more than 2,307 Congregational churches that have not made it; also gifts of twenties, fifties, hundreds, and thousands from the more highly favored; testamentary gifts, if not earlier bestowed. Then this great property would be disencumbered, and all our strictly benevolent societies would be forever free from rent, thus insuring a good dividend to the cause of Christ upon every benefaction.

Let all remittances and communications be addressed to

ISAAC P. LANGWORTHY, *Cor. Secretary*, Boston, Mass.

THE AMERICAN CONGREGATIONAL UNION.

Room 59, Bible House, New York.

President. — Rev. E. B. WEBB, D. D., Boston, Mass.
Corresponding Secretary. — Rev. L. H. COBB, D. D., New York city.
Treasurer. — H. O. PINNEO, 59 Bible House, New York city.
Board of Trustees. — Rev. W. H. WARD, D. D., Chairman; Rev. S. H. VIRGIN, JACOB L. HALSEY, JOHN WILEY, GEORGE WILCOX, for three years; Rev. J. G. ROBERTS, D. D., Rev. R. P. HIBBARD, NORMAN A. CALKINS, HENRY HEATH, ALONZO ALFORD, for two years; Rev. J. A. ELY, Rev. A. H. BRADFORD, C. H. JOHNSON, W. J. HUNT, Rev. SAMUEL SCOVILLE, for one year.

The Board meets regularly the second Wednesday of each month, and oftener as occasion may demand.

Grants amounting to $42,050 have been voted to one hundred and forty-one churches during the year included in this statement.

Grants amounting to $44,720 have been paid to forty nine churches.

The Union has outstanding obligations amounting to $56,000, with a balance of $23,253 toward meeting them.

The receipts of the Union for the six months of the current year have been $37,070.79, which is about half as much less than the receipts of the same months last year as the legacies of the first half of last year were greater than the legacies of the first half of this year. This is the same as saying that the regular contributions of the churches are increasing in number and amount. They are not increasing, however, as the demand is. The new openings in the Southwest and Northwest, especially, are of necessity very expensive. Work cannot be done at all without unusual outlays. The Board is confiding most implicitly in the generous following of the churches where God is so evidently leading. They cannot, however, take risks beyond a reasonable sum in hand. Delayed payments are sources of severe annoyance, local disaffection, and loss. The Union has never had an absolutely empty treasury. We are strong in the faith last year's generous giving awakened, that the churches mean we never shall have an empty treasury. Our only question, at the date of this writing is, "Must we say no to as urgent and deserving calls as ever have been made on our aid, because of the too wide discrepancy between our calls and our cash?"

The Year-Book is sent to every church and pastor in the land. It will thus lay this matter on the hearts of those who represent our faith at the front and our main supporters at the rear.

The only new departure taken during the year is in the publication of *The Church Building Quarterly*. It seems to meet a want. We trust the friends of the work will not forget its wants in the form of generous rolls of paying parish subscribers. Thirty cents a year is a small sum to an individual, but ten thousand new subscribers would double the power of the pamphlet.

The Home Missionary, a monthly magazine, published by the Society, at sixty cents a year, including postage, gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. The monthly issue is 25,000 copies. An Annual Report sums up the results of the year.

For nearly fifty-eight years the Society has been organizing churches in the South and West, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and highest usefulness.

In connection with the labor of its missionaries, 4,360 churches have been organized, and 2,199 have come to self-support. It has collected and disbursed in cash nearly $9,742,400, and in clothing, books, and other supplies, largely the offerings of Christian women, more than $1,414,000, in all, $11,156,400. The additions to the churches have been 310,251. Schools, academies, and colleges in nearly every Western State are among the direct fruits of the work.

The number of missionaries employed in its fifty-seventh year (1882–83) was 1,150, 827 of them in States and Territories west of New York. They preached regularly in 2,659 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was over 106,000. The additions to the churches were 6,527; 3,558 of them on profession of faith. One hundred and one churches were organized, and forty-three came to self-support. Last year's receipts were, in cash, $370,981.56; in supplies, $60,000; in all, $430,981.56.

At least $400,000 *in cash* are needed this year properly to sustain the missionaries *now in the field*. To take up only such new work as the providence and Spirit of God manifestly call upon the Society to assume *at once*, $100,000 more are imperatively required, and at the annual meeting of the Society at Saratoga, in June last, it was voted to appeal to the churches for this amount, as an *Emergency Fund* for new work. At nearly every meeting of the Executive Committee, chosen men are sent to new fields at the front, where they are most needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land.

AIM AND WORK.

To preach the gospel to the poor. It originated in a sympathy with the almost friendless slaves. Since emancipation it has devoted its main efforts to preparing the Freedmen for their duties as citizens and Christians in America and as missionaries in Africa. As closely related to this, it seeks to benefit the caste-persecuted Chinese in America, and to co-operate with the government in its humane and Christian policy toward the Indians.

It aims:

First, — To provide and furnish to pastors, teachers, and Sunday schools, aids to the study of the Bible, and all needful Sunday-school literature.

Second, — To systematize and give direction to Sunday-school work, and to direct the charities of the churches toward establishing Sunday schools, and providing weak ones with such equipments as shall enable them to be efficient.

Third, — To provide and prepare general religious reading, and to distribute books and tracts among the destitute.

Fourth, — To set forth the history and explain the principles and polity of Congregational churches.

This Society maintains two distinct departments: —

1. *The Business Department:* Publishing a graded system of lesson helps, for teachers, senior, intermediate, and primary scholars in the Sunday school; also, two periodicals weekly, books and other literature for the Sunday schools. It also issues books and tracts on general religious subjects, and on matters of special interest to Congregationalists.

This business is self-sustaining but unable to meet its great opportunities for usefulness for want of capital. An effort is being made to raise $75,000 as a working capital, to be paid in shares of $100 each, in three equal, annual instalments. A considerable part of it has already been subscribed.

2. *The Missionary Department:* Sustaining Sunday-school missionaries in Western States and Territories: furnishing Sunday-school helps, libraries, and other literature to new and needy Sunday schools, either gratuitously or at reduced cost. *All money contributed to this department is used for missionary purposes.*

The following State Superintendents are engaged in planting Sunday schools and increasing the efficiency of existing Sunday schools: Nebraska, Rev. J. D. Stewart, Hastings; Missouri, Rev. J. L. Maile, Springfield; Colorado, Rev. H. P. Case, Colorado Springs; Kansas, Prof. J. E. Platt, Manhattan.

During the year ending May 1, 1883, the society aided seven hundred and thirty-two Sunday schools, of which about two hundred and fifty were new.

The amounts received by the Sunday-school societies of different denominations for missionary work were as follows:—

For the year ending May 1, 1882,	Receipts of the Baptist Publication Society for Missionary work were	$103,784 16
" "	May 1, 1882, Receipts of the Methodist S. S. Union for Missionary work were.....	77,000 00

" "	May 1, 1882, Workers employed by Presbyterian Board.....	54
" "	May 1, 1882, Workers employed by Baptist Pub. Soc. (of which thirty-five were State S. S. Missionaries).....	124

For the year ending	May 1, 1882,	Workers employed by Cong. Sunday School and Publishing Society	1
"	"	May 1, 1883, Receipts of the Cong. Sunday-School and Publishing Society are	$11,954 48
"	"	May 1, 1883, Workers now employed	6
"	"	May 1, 1883, Number of Sunday schools assisted	7 32

New missionaries are soon to be appointed, in answer to urgent appeals from State Associations and Conferences in the newer States.

The amount needed for the coming year for missionary work is $50,000. The opportunity to establish Sunday schools as the beginnings of churches in the new lands, and to promote Sunday-school work, is great; the need at this crisis is urgent. The future prosperity of all the benevolent work of our denomination requires it. The good results from it are assured.

Contributions to the Missionary Department should be sent to E. Lawrence Barnard, treasurer, Congregational House, Boston, or to M. C. Hazard, 243 State Street, Chicago.

Correspondence concerning editorial or missionary work should be directed to Rev. A. E. Dunning, secretary.

Business correspondence should be addressed to Geo. P. Smith, agent.

The publications of the Society are for sale by E. J. Alden, 243 State Street, Chicago.

THE NEW WEST EDUCATION COMMISSION.

Incorporated Nov. 3, 1879.

Principal office at Chicago, Illinois.

OFFICERS.

President, Rev. F. A. Noble, D. D., 534 West Washington Street.
General Secretary, Rev. Charles R. Bliss, 112 West Washington Street.
Treasurer, Wm. H. Hubbard, 387 LaSalle Avenue.
District Secretary, Rev. A. E. Winship, 6 Congregational House, Boston.
Assistant, Miss Sybil Carter, 6 Congregational House, Boston.
Agent in the Field, Isaac Huse, Jr., Salt Lake City, Utah.

Object. — The promotion of Christian civilization in Utah and adjacent States and Territories by the education of the children and youth under Christian teachers, and by the use of such other kindred agencies as may at any time be deemed wise. The time is propitious. Old customs are giving way and the younger Mormons and Mexicans are uneasy under the reproach that attaches to their people. It is seed-time, and the best seed is the Christian school.

The current year is without a parallel in prosperity. New fields open. Teachers are wise and effective. The world offers no more needy or promising field, and American Congregationalists *must* be prompt and generous in doing the work the Lord lays upon them. The work is being prosecuted with the greatest economy and fervency.

Progress. —	1880-1.	10	schools,	21	teachers,	700 pupils.
	1881-2.	16	"	28	"	1,200 "
	1882-3.	19	"	34	"	1,600 "
	1883-4.	36	"	54	"	2,500 "

This advance is remarkable, but its best work cannot be expressed in figures. It has overcome prejudice, aroused emulation, aided the liberal political movement, organized temperance efforts, disseminated Christian literature, and laid the foundations of Christian churches.

Endorsements. — "Not all the legislation of Congress hitherto, nor the millions of money spent in the 'Mormon War,' nor any other agency now operative, can compare in value for the elevation of Utah, with the work of these Christian schools." — *Eli H. Murray, Governor of Utah.*

"I would rather throw a child of mine into hell than have him go to one of these outside schools." — *Brigham Young, Jr.*

ENDORSED BY THE NATIONAL COUNCIL AT CONCORD, N. H., OCT. 13, 1883.

PREAMBLE AND RESOLUTION.

WHEREAS, The new West, dominated by Mormons and Jesuitical hierarchies, differing materially from the old West, having society already organized and opposed to evangelical Christianity, higher civilization, and the American government, makes the problem of bringing into full allegiance to Christ and our republican institutions most difficult; and

WHEREAS, Mormonism, through tyrannical, priestly influence, made strong by the fallacious claim that all its commands are by Divine revelation, holds a large body of followers in six States and Territories in such subjection as to make their antagonism threaten disaster to the nation, effectually preventing the introduction of Christianity into the new West by ordinary methods; and

WHEREAS, The Christian free school, as organized and superintended by the New West Education Commission, has proved an effective means of undermining Mormon influence by enlightening the youth, interesting adults, and inspiring communities with true Christian zeal, and thus best preparing the way for the establishment of Christian churches; and

WHEREAS, The work now presents peculiarly favorable opportunities for enlargement and greatly increased usefulness, and it is made more urgent by the increased efforts of Mormon leaders to preoccupy the field by schools which are hostile to Christianity and righteous government; and

WHEREAS, The Commission has continued the prosecution of its work in accordance with advice asked of and given by the National Council; therefore,

Resolved, That this National Council, in its fifth triennial session, earnestly renews its commendation of the work of the New West Education Commission, and urgently presses upon our churches the obligation to give to it that powerful and hearty sympathy and that prompt and generous financial support which its past record, its present activity and future prospects entitle it to receive.

THE WOMAN'S BOARD OF MISSIONS.

Corresponding Secretaries. — Miss ELLEN CARRUTH, Mrs. J. A. HASKELL.

Home Secretary. — Miss ABBIE B. CHILD.
Secretary of the Bureau of Exchange. — Miss E. HARRIET STANWOOD.
Treasurer. — Miss EMMA CARRUTH.
Auditor. — J. A. FELT. (All of Boston.)

FOREIGN WORK. — This Board has under its care, in the foreign field, about ninety-two missionaries and assistant missionaries, who superintend the work among women in its various departments, and seventy Bible-readers, who go from house to house to read and teach the Scriptures; the number of women reached by nine of these in the city of Madura, India, alone, is estimated at more than twenty thousand. The Board also supports twenty-five boarding and high schools, besides the female department of Armenia College, and five homes for higher education, containing in all over one thousand pupils; and one hundred and seventy village and day schools, with between two and three thousand pupils.

HOME DEPARTMENT OF WORK. — In this country there are connected with the Board twenty-two branch societies, each comprising not less than twenty auxiliaries and two conference associations, including a less number of societies. In these larger organizations there are between nine hundred and one thousand auxiliaries and more than six hundred mission circles among children and young people, making a total of over fifteen hundred organizations. The receipts from Nov., 1882, to Nov. 18, 1883, were $96,062.98.

Foreign Secretary. — Mrs. H. E. Jewett, Oakland.

Recording Secretary. — Mrs. S. S. Smith, San Francisco.

Treasurer. — Mrs. R. E. Cole, San Francisco. *Auditor.* — E. P. Flint.

Our Auxiliaries. — We have over twenty-eight so-called auxiliaries of older ladies, and over twenty of young people. Some of them can hardly be called "auxiliaries" in the strict sense of the term, because their funds are divided among other benevolent objects. But we have nearly fifty organizations which are interested in this work, — fifty tributaries, very small though many of them are, to the treasury of our Board. Our work is especially dependent upon the faithful collection of the mites, — "the fragments that nothing be lost."

THE WOMAN'S HOME MISSIONARY ASSOCIATION.

Organized in Boston, Feb. 26, 1880; incorporated under the laws of the State of Massachusetts in March, 1881.

President. — Mrs. J. W. Danielson, Providence, R. I.

Home Secretary. — Miss Nathalie Lord, Boston.

Cor. Secretaries. — Mrs. Francis Johnson, Andover, Miss J. M. Scudder, Brookline.

Treasurer. — Mrs. H M. Moore, East Somerville.

Auditor. — C. C. Burr, Esq., Auburndale.

Office, No. 20 Congregational House, Boston.

The purpose of the Association is to enlist all the women of the Congregational churches in prayer and efforts for home missions, to acquire and diffuse the information needed, and to collect money and other gifts, by contributions, bequests, and otherwise, for the support of women as home missionaries and teachers, for the aid of home missionary families, and for the promotion of the spiritual and temporal welfare of those among whom they labor, especially the women and children.

This Association is supporting at the present time sixteen missionaries in Washington, Tennessee, Texas, Arkansas, Indian Territory, Utah, and New Mexico. They teach day schools, conduct religious services, and visit among the people, relieving the wants of the destitute and administering medicines and comforts to the sick.

A former missionary is employed to present the cause of the Association to the churches.

There are one hundred auxiliaries connected with this Association.

The Work at Home is published monthly by the Board of Directors. Price twenty-five cents a year, including postage.

Annual Meeting. — Last Wednesday in October, place to be designated by the Directors.

CALENDAR. — The annual period of study is divided into three Sessions. The last Session of the present Seminary year will commence on Monday, March 24, and continue till the Anniversary, Thursday, June 19, to be followed by a vacation of twelve weeks. The next Seminary year will begin on Thursday, September 11.

COURSE OF STUDY. — With an enlarged Faculty, a new and expanded curriculum has been introduced. The Junior year is devoted mainly to Biblical Exegesis and Introduction; the Middle year to Biblical and Systematic Theology; the Senior to Sacred Rhetoric, Pastoral Theology, and History of Christian Life and Doctrine. Systematic Theology is begun in the first year; also Biblical History, which is continued through the second. Lectures on Christianity and Science, the Scriptures, Elocution, with exercises in rhetoric and vocal culture continue through the course. Opportunity is given for instruction in Syriac, Arabic and other cognate Oriental languages.

FOURTH YEAR for advanced study. Each member of the Advanced Class chooses his studies, subject to approval by the Faculty, and receives from the professors in the departments chosen personal direction and assistance. Special facilities are afforded for private reading and research. Lectures are given to the whole class on topics pertaining to the higher and more difficult questions which are engaging the attention of Christian scholars and pastors. Scholarships ($200.00 each) are awarded to members of this class.

LIBRARY AND MUSEUM. — The Library now numbers more than 41,000 volumes, is constantly increased, and is open every week-day for the examination and drawing of books. The accession of the library of the late Prof. Niedner, of Berlin, has proved to be of exceptional value. The Museum comprises a cabinet of minerals, objects relating to missionary life and work, a monumental slab from Nimroud, a relief model of Jerusalem, and a large and choice collection of Palestinian birds, animals, flowers, coins, inscriptions, photographs, etc.

A well-furnished Gymnasium is open to the use of the students.

For information respecting Conditions of Membership, Honorary Scholarships, the Winkley Fellowship, Expenses, and Pecuniary Aid, see Catalogue, which may be obtained by application to the President of the Faculty.

BANGOR THEOLOGICAL SEMINARY, BANGOR, ME.

This institution was chartered by the Legislature of Massachusetts in February, 1814, and was opened for students in October, 1816. It has been in constant service since and has graduated several hundred pastors, missionaries, teachers, editors, and college presidents and professors.

FACULTY OF INSTRUCTION.

Ecclesiastical History. — Rev. LEVI L. PAINE, D. D.
Sacred Rhetoric. — Rev. JOHN S. SEWALL, D. D.
Systematic Theology. — Rev. LEWIS F. STEARNS, D. D.
New Testament Language and Literature. — Rev. CHARLES J. H. ROPES.
Old Testament Language and Literature. — Rev. FRANCIS B. DENIR.

TERMS OF ADMISSION. — Bangor Seminary is open to all denominations of Christians. Candidates for admission must produce testimony of their church membership and of their collegiate education. If they have not pursued a college course, they will be examined, and must exhibit mental training and attainments sufficient, in the judgment of the Faculty, to warrant their entering upon a course of theological study. Those whose age or circumstances forbid the pursuit of the complete course of study may, at the discretion of the Faculty, be admitted to the studies of the Middle year, and continue their course with the full privileges of the Seminary.

COURSE OF STUDY. — *Junior Year*, Hebrew Grammar, Principles of Interpretation, Exegesis of the Hebrew and Greek Scriptures; New Testament Greek; Introductory Philosophy, with text-books and lectures; Essays, and Lectures on Style and English Literature.

Middle Year, Systematic Theology; Ancient Church History; Exegetical studies continued; New Testament Greek continued; Vocal Culture and Oratory.

Senior Year, Mediæval and Modern Church History; Homiletics; Pastoral Theology and Church Polity; Exegetical studies continued; New Testament Greek continued.

THE DEPARTMENT OF NEW TESTAMENT GREEK has been added to the usual course in order to supplement the department of Exegesis by grammatical and lexical study of the language of the New Testament. It has been established not only for the benefit of those who have had a classical training, but also to provide instruction for those who enter the shorter course with only a rudimentary knowledge of the Greek. The instruction is at present given by the exegetical professors.

SPECIAL LECTURES. — A course of practical addresses on pastoral subjects is given each year by pastors selected for that service.

PREACHING. — As it is believed to be conducive to the best professional training to combine practice with theory, students are encouraged during the Senior year to preach as opportunity offers, and so far as they may without interfering with their Seminary duties. They usually take a license to preach at the close of the Middle year; and during the vacation are employed as missionaries of the Maine Missionary Society. Through the remainder of their course they are frequently called upon to supply vacant churches or missionary outposts.

POST-GRADUATE SCHOLARSHIP. — A scholarship of fifteen hundred dollars has recently been established in Bowdoin College for the purpose of aiding any student who, after graduating at the Seminary, desires to take a post-graduate year at the College.

EXPENSES. — Each student is charged two dollars a year for incidental expenses. There is no other charge for tuition, room, furniture, library or any privilege of the Seminary. The dormitory has been thoroughly repaired and refitted. The rooms are carpeted and furnished. The Washburn fund and some other funds were given expressly to aid members of the Seminary. The income of these funds will be distributed to those students whose circumstances require it, and will amount to about half the expense of board.

LIBRARY. — The Seminary has an excellent library, numbering between fifteen and sixteen thousand volumes, specially selected to meet the wants of the students. There is a permanent library fund of ten thousand dollars, with the income of which constant additions are made of the latest and most valuable literature.

The next Anniversary will occur on Wednesday, June 4, 1884.

The next Seminary year will open on Thursday, Sept. 11, 1884.

Candidates for admission to the regular course must be of good moral character, and must have received a collegiate education, or an equivalent preparation for theological studies. Students from other theological seminaries may be admitted, and applicants to advanced standing.

Terms and Vacations. — The next term of study will begin on Wednesday, Sept. 10, 1884, and continue till the last Thursday in April, when will follow a vacation of four months, to be devoted by the students to reading on assigned topics, and to missionary or other remunerative labor.

Seminary Grounds and Buildings. — The Seminary grounds front Union Park, in the West Division of the city. The location is pleasant and healthful, removed from the busier parts of the city, and yet connected with the centre of business by several lines of city railway. The Seminary buildings — Keyes Hall and Carpenter Hall — are arranged according to approved models (each study having two bedrooms attached), and accommodate about eighty students, to which has been added recently Hammond Library, a commodious fire-proof building.

Course of Study. — The Junior year has four exercises a week in Greek, four in Hebrew, one in Theology, one in History, one in Homiletics, and one in Elocution. The Middle year has four exercises a week in Theology, two in History, two in Hebrew, one in Greek, one in Homiletics, and one in Elocution. The Senior year has three exercises a week in Homiletics, two in Theology, two in History, two in Hebrew, one in Greek, and one in Pastoral Theology, with private lessons in Elocution. The "Special Course" in the first year has Rhetoric, Logic, Moral Philosophy, and English Composition, with constant Bible exposition. It includes the entire instruction given by the Seminary, except in Hebrew and Greek. Those who wish to pursue post-graduate or advanced studies, or the study of works in German, or of the Chaldee, Syriac, or Arabic languages, are offered special assistance.

Examinations. — In each year there are two public examinations, oral and written, of all the classes: the first during the week before the twenty-first day of December, and the second during the week before the Anniversary in April.

The Alumni Institute will be held this year on Anniversary week, April 21, 23.

Library. — The Seminary Library consists at present of about seven thousand volumes, mainly works of standard value. The students also have access to the large public library of the city.

Expenses. — No charges are made for instruction, the rent of rooms, or for the use of the Library and Reading-room. Suites of rooms have been furnished throughout by churches or individuals whose names they bear. The only necessary expenses of the students are for board, fuel, gas, text-books, the care of rooms, washing, and for such special damages as the property of the Seminary may suffer at their hands. Board can be had in private families in the neighborhood of the Seminary at about three dollars a week.

Pecuniary Aid. — From the American Education Society, supplemented by the Western Education Society and the Scholarship funds of the Seminary, a total of one hundred and fifty dollars a week during term time; additional aid in clothing is furnished, when needed, by Ladies' Benevolent Societies; medical attendance without charge in case of illness; and such sums as may be received for preaching or teaching.

Application for admission or catalogues may be made to any Professor, or to Rev. G. S. F. Savage, Sec'y and Treas., 112 West Washington Street, Chicago, Ill.

By its organization the Seminary is closely allied to the churches through the Pastoral Union, which annually elects the trustees.

The plan of instruction is so arranged as to make the study of the Bible the chief feature of the entire course. The patrons, guardians, and teachers of the Institution are perusaded that an exegetical and experimental knowledge of the Divine Word should be sought first of all by candidates for the gospel ministry. They also believe that scholarly investigation, controlled and tempered by the spirit of truth, justifies unfaltering adherence to the doctrinal system set forth in the creed of the Pastoral Union, to which the professors annually give their assent, and which is in accord with the historical belief of New England Congregationalism, as embodied in accredited formulas. The effort is made to bring the several departments into such relations as shall give both scientific and vital unity to the course of instruction.

It is the aim of each professor to strengthen, on the part of the students, the habit of personal investigation. Daily drills bring teachers and pupils into such close relations as favor mental activity and appropriate criticism, the purpose being to train as well as to teach, to illustrate correct methods while their results are presented.

Terms of Admission. — Candidates for admission are expected to produce evidence that they are members of some Christian church, and that they have graduated at some college, or have made such literary acquisitions as, in the opinion of the Faculty, are an equivalent preparation for theological studies. They will be examined in reference to their personal piety and their motives in seeking the ministry.

Besides lectures on Congregationalism, moot councils are held from time to time for the purpose of making the student familiar with the principles and usages of our Church Polity.

Instruction is provided for all the classes in ecclesiastical music throughout each year.

Expenses. — No charge is made for tuition, room rent, or the use of the library. The rooms are supplied with the necessary articles of furniture.

Arrangements for board, at a common table, are made by the trustees.

The average cost of board has been $3.50 per week. To defray this expense, several scholarships have been endowed. Further assistance will be furnished towards defraying this expense, in proportion to the necessities of each student, at the discretion of the Faculty. Fuel and lights may be estimated at from $10 to $15 the year for each room. In addition, the American Education Society renders aid to the amount of from $75 to $100 annually. Students who are licensed have occasional opportunities to preach for compensation.

Calendar. — There is but one term of study in the year, which begins on the second Thursday of September, and closes on the second Thursday of May. Students have opportunity in the long vacation to engage in some form of Christian activity, from which they may derive religious advantages and practical knowledge, as well as pecuniary benefit.

Persons desiring to join the Seminary are invited to address Prof. William Thompson, D. D., Dean of the Faculty, from whom they will receive any needed additional information.

DEPARTMENT OF THEOLOGY IN OBERLIN COLLEGE,

OBERLIN, OHIO.

Opened for service in 1835.

FACULTY.

Rev. JAMES H. FAIRCHILD, D. D., President, Finney Professor of Theology and Moral Philosophy.
Rev. JOHN MORGAN, D. D., Professor Emeritus of New Testament Literature and Biblical Theology.
Rev. JUDSON SMITH, D. D., Professor of Ecclesiastical History and Positive Institutions.
Rev. WILLIAM G. BALLANTINE, Professor of Old Testament Language and Literature.
Rev. G. FREDERICK WRIGHT, Professor of New Testament Language and Literature.
Rev. ALBERT H. CURRIER, D. D., Holbrook Professor of Sacred Rhetoric and Pastoral Theology.
Rev. WILLIAM B. CHAMBERLAIN, Instructor in Elocution.
Rev. A. HASTINGS ROSS, Special Lecturer on Church Polity.

The Department of Theology is open for the admission of students of every denomination. Applicants must furnish satisfactory evidence of Christian character. A full collegiate education is regarded as furnishing a normal preparation for the course in Theology. Those who are not graduates of reputable colleges are required to furnish evidence of culture in all essential points fully equivalent to that which is given by a college course, and are admitted only upon careful examination in the ordinary collegiate branches. Upon the satisfactory completion of the regular three-years' course, the Academic Degree of Bachelor of Divinity (B. D.) is conferred.

COURSE OF STUDY. — *First Year.* — Hebrew, and Old Testament Exegesis; Harmony of the Gospels, and Theology of the New Testament; Natural Theology; Evidences of Christianity; Authority and Inspiration of the Scriptures; and Introductory Lectures on the History of the Church.

Middle Year. — Systematic Theology; Hebrew Exegesis continued, and Literature of the Old Testament; introductory lectures on Homiletics; History of the Ancient Church; lectures on the Epistles.

Senior Year. — History of the Mediæval and Modern Church; History of Doctrine; Positive Institutions; Homiletics; written and extempore Sermons; Pastoral Theology; and lectures on the various forms of Scepticism.

LIBRARY. — The Libraries of the College contain over fifteen thousand volumes.

COUNCIL HALL, the building devoted exclusively to the Department of Theology, provides fully furnished rooms for fifty students. No expense is incurred for instruction, for the use of the libraries or of public rooms; and the students in Theology enjoy, without charge, the privileges of all the other departments of the College. The price of board is from $2.00 to $2.50 per week, or from $72 to $90 for the thirty-six weeks of the theological year. Fuel and lights will not cost more than $15. Add the charge of $5.00 per term for the care of the building, and the entire *necessary* expenses of the year (not including clothing, travelling expenses, and books) need not exceed $100.

Help is granted from scholarship funds contributed by friends of the Department and by the churches of the State, and from the American Education Society. The amount ordinarily received from both these sources does not vary much from $150.

The opportunities for students to aid in meeting their expenses are sufficiently numerous. Some are employed as teachers in the Preparatory School connected with the College, and the amount received for teaching an hour each day exceeds the cost of board. Many vacant pulpits in the vicinity are supplied by theological students, for which compensation is rendered. During the summer vacation of fifteen weeks, all members of the Department may supply vacant pulpits in Home Missionary and other fields; and such opportunities are abundant.

The year of study in this Department consists of thirty-six weeks, in three terms. The anniversary occurs Saturday, June 21, 1884. The next year begins Wednesday, Sept. 16, 1884.

PACIFIC THEOLOGICAL SEMINARY, Oakland, Cal.

Opened for service June, 1869.

FACULTY.

Rev. Joseph A. Benton, D. D., Professor of Sacred Literature, and (*pro tem.*) of Homiletics.
Rev. George Mooar, D. D., Professor of Systematic Theology, and (*pro tem.*) of Ecclesiastical History.
Lectures are given frequently by leading pastors of the State.

Regular Studies. — *First Year.* Greek; Hebrew; Sacred Geography and Antiquities; Origin, History, Authority, Inspiration, and Canon of the Bible; Interpretation of the Scriptures; Religions of the World, other than the Christian; Natural Science; Mental and Moral Science.

Second Year. — Biblical Theology; Greek; Hebrew: Exercises in the Exposition of the Scriptures; Systematic Theology; History of Doctrines; Elocution.

Third Year. — Pastoral Theory; Church History; Church Polity; Homiletics; Elocution; Connection of Natural Science with Religion. [An exercise in Hebrew and Greek Exegesis once each week during the second and third years.]

Special Studies. — In special cases, particular and modified courses of instruction will be given to those who cannot remain three years, or who, for other reasons, cannot take the full course of three years; and these courses of instruction will be adapted to the necessities of each person, it being understood that every one of this class will continue his studies as long as practicable.

Preparatory Studies. — Young men who have not had the advantage of a collegiate course, and who are, for good reasons, debarred from the prospect of such a course, are enabled to pursue literary and scientific studies under the direction of the professors in the Hopkins Academy, immediately associated with the Seminary. These preparatory studies will vary with the requirements of each student.

Calendar. — The year consists of but one term, and begins with the first of September and ends with the middle of May. There will be a recess from the 20th of December to the 3d of January. Students should begin promptly with the term.

Terms of Admission. — Credible evidence of piety, membership in some evangelical church, a collegiate education, or such other literary and scientific attainments as promise a fair degree of usefulness, will entitle all young men to the advantages of this Seminary. The benefits of the institution are accorded alike to students of all denominations of Christians.

Expenses. — There will be no charge for tuition, rent of rooms, or use of furniture. The trustees will, as far as practicable, furnish text-books free to those who are in need, themselves being the judges of the necessity. Those who desire it can board on the premises at the rate of $3.00 per week. Fifty cents additional will be charged for washing.

Pecuniary Aid. — The American Educational Society will render aid to the pupils of this Seminary who are needy, who are college graduates, and who take the full course of three years. The amount bestowed will be, when possible, $100 a year to each beneficiary. Five paying scholarships yield an average of about $140 each per year to five beneficiaries.

An endeavor is continually made to provide for *all* the wants of every young man who wishes to take the full course of study, and every such person is urged to come to the Seminary, whether he has any means of his own or not. It is believed that the necessary expenses of a Theological School are less here than anywhere else in the Union.

No happier situation is known than the one occupied by this Seminary. The climate is unequalled for stimulating qualities, for mildness, and for general fineness. It is favorable to study every month in the year. It is a cure for many forms of invalidism. The scenery about the site is not inferior to that of the far-famed Bay of Naples itself. Both the beauties and the grandeurs of nature are within reach; and, to some extent, those of man, also.

Relation to the University. — The Divinity School is one of the Departments of Yale College. Its members receive from the Corporation, on completing their three-years' course of study, the degree of B. D. They have access to the public collections of the University, such as the Library, the Peabody Museum, and the collection of paintings and statuary in the School of Fine Arts. They are permitted to attend, free of expense, so far as will not conflict with their professional studies, the lectures and recitations in the College and the Sheffield Scientific School, and, if expecting to become foreign missionaries, those of the Medical Department.

Course of Study. — The first year is devoted chiefly to the Exegesis of the Hebrew and Greek Scriptures; the second year to Systematic Theology, Church History, Biblical Theology, and Church Polity; the third year to Sacred Rhetoric and the History of Christian Doctrine. Additional lectures on Preaching and other important subjects are delivered before all the classes by eminent ministers and scholars in this country and Europe. There are also optional classes conducted by the Professors, in New Testament Introduction, German, Syriac, and Chaldee. Once a week there is a rhetorical exercise for all the classes. Instruction in vocal culture and elocution is continued through the entire course.

Graduate or Fourth Year Class. — Students who have completed a three-years' course of theological study, here or elsewhere, are admitted to the Graduate Class, established four years since, in which advanced studies in Theology are pursued under the direction of the Professors.

The Librarian of the University, to which the students have access, including the Reference Library of the Divinity School, contain over 140,000 volumes.

The Hooker Fellowship, for the encouragement of further theological study in this country or abroad, the income of which is $700 a year for two years after graduation, is offered to the class entering in September, 1884.

Expense. — There is no charge for instruction, use of libraries, or room rent. The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bedclothing. The chief expenses for the session are for board $3.25 to $4.00 a week; fuel and light, $25 to $30; and $10 a year for care of room and incidental expenses.

Scholarship Funds and other aids. — Students whose circumstances require it are aided to the amount of $100 a year, from the income of scholarship funds. Additional aid to the amount of $75 to $100 is afforded by the American Educational Society to its beneficiaries.

Commencement of the Term. — The present annual term of study began on Thursday, Sept. 13, 1883, and continues till the third Thursday in May (Anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence. The next annual term will begin on Thursday, Sept. 19, 1884.

Application for Admission. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual Catalogue containing further information, may be made to the Secretary, Prof. George E. Day, *New Haven, Conn.*, or to any other member of the Faculty.

* A dash in the column of colleges implies that the student has never been connected with any college; the name of a college followed by a dash in place of year, implies that the student was connected with that college, but did not complete the course. An interrogation point in the place of year of graduation implies that the person is a graduate, but we do not know the year; this is found only in the Yale Seminary list, the only one that does not give this information. A more precise list of the colleges and universities is on pages 75 and 76.

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1883 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee appointed by the Council.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries, representing their own organizations, or of Councils subsequent to the date of annual reports.

The contents of the statistics are as follows: —

1. The Statistics of the Churches and Pastors, by States.
2. List of Foreign Missionaries, arranged by Missions.
3. General Summary Tables for the year.
4. Tables of Summaries, 1858-1883.
5. Remarks upon the Statistics and Minor Explanations.
6. The National, State and Local Organizations of the Churches, with Officers, and dates of sessions in 1883.
7. Alphabetical List of Ministers, with P. O. address, and indexed to pages.
8. Alphabetical List of Licentiates.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city are placed according to age.

2. To make each State list to conform strictly to the *State boundaries.* Churches or ministers reported by the Association of a State other than their own are, therefore, transferred to their proper places; and the summaries are correspondingly corrected.

3. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted No allowance is made for the membership of any non-reporting church or Sunday school, except such as is made by the State secretaries, who are the proper judges of its propriety. The list of churches of this year is compared, name by name, with that of last year, and all variations are specifically mentioned with the State summary, so that each church can be traced from year to year.

4. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof-sheets have been sent to secretaries and some Home Mission superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

5. To *complete* the statistics by (1) giving in some form every statistical fact obtainable, — items given by some States, but not by all, being aggregated with the respective State summaries; and (2) putting into finished State and general summaries, with "totals" in all cases, everything capable of it; so that no person in search of any statistical fact shall be obliged to perform any arithmetical calculation to find it.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since the date of State report; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish.

2. Installed pastors are marked "*p*," or "*i*," pastors recognized, "*rec*"; others in service are not marked. Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. Post-office addresses of ministers in pastoral service are not found in the tables of churches, but in the General Alphabetical List of Ministers.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) prefixed to the name of a minister in pastoral service, not installed, implies that he is not a member of any organization of churches or ministers in *that State;* but not many States so designate in the *tables.* A star similarly prefixed in the General Alphabetical List of Ministers denotes that he is found in the original State alphabetical list, but is reported not to be a member of *any* such organization in the United States; or that he is found supplying some church, but is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in each State summary. No ministers of other denominations (if so known) are inserted in the General Alphabetical List. Some ministers belong to the two denominations at once.

7. The names of some Congregational ministers are, doubtless, missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." "Additions," "Removals," and "Baptisms" cover the twelve months next preceding the date of report given with the name of each State.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

10. A vigorous effort has been made this year to give, with the name of a church, its *post-office address* if it be different from the name of place given. The effort is greatly, but not entirely successful. It will be tried again next year.

NOTES. — 1. The distinction is made between contributions for benevolent purposes and moneys raised for any home expenses. For instance, money given to the general Sabbath-school cause is benevolent; money expended by a church in supporting its own Sabbath school is a home expenditure, as much as a pastor's salary.

2. The amount of Home Expenditure does not mean all that is spent in a given place, but solely what is raised by a church itself, exclusive of all outside aid.

3. The amounts reported above for the *specific* objects of benevolence are such as are reported (and added up) by the State organizations, and are below the facts. They are inserted as indicating proportions, but are not worth adding up. It should be noted that in some States the sums were amounts contributed to a particular society; in others, for causes represented by that society, — a distinction which we cannot preserve this year. Some States so group objects that some items cannot be distinguished.

4. It will be seen that the reports are very imperfect. Many churches make no report.

NOTE. — But few States reported the items for this important table. The ordinations, etc., for those not reporting, are therefore compiled from preceding lists.

Lists of new and dropped churches are given with the Summary of each State.

The gains marked "*a*" above are only gain in reports, being gain over "no report" last year. The losses marked "*b*" are, similarly, loss by such as reported last year, but make no report this year.

Blanks signify no report, and our necessary ignorance.

The total of Members is greater than the sum of males and females, and total additions and removals are sometimes greater than the sum of particulars, because totals are sometimes reported above. The *proportion* of males and females is, however, correct. "Absent" are included in males, females, and total.

As to "Contributions" and "Home Expenditures," in this table, it will be seen that it is more an exhibit of the number of churches reporting than of totals raised. Before the issue of 1867, one half of the churches did not report either item; many States did not have the item in their schedules. Of the increase in benevolent contributions reported, the larger part is due to one church in Norwich, Conn.

In this table, the "new" churches are occasionally such as were previously "dropped."

Under "Died" (Ministers), until 1873 no count was kept to distinguish between "acting pastors" and "without charge." The difference between "pastors" and "totals" includes these two classes. The fluctuations under "Benevolent Contributions" are greatly due to more or less full reports. See the annual *number of churches reporting*, in table next above.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later Councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State.

The figures refer to pages where the name will be found in the tables or in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are reported to be members of no organization of Congregational churches or ministers.

Some post-office addresses are antiquated; but it is the best that could be done.

Licentiates are not included in this list, nor are ministers of other denominations.

A list of licentiates follows this list.

Names of persons in last year's list, deceased since the issue of 1883, are retained, with date of death, and with place of residence as given in 1883, and are indexed to the pages of the "Vital Statistics."

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, efforts failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in use of final "e," as Clark, Clarke, are treated as one name, but spelled according to report.

Letters for our missionaries will be addressed to the care of society mentioned with the name, such societies (initials) being (as are all foreign addresses) in italics.

Ministers without charge are indicated by the year of ordination. This date, following the name, takes the place of the page reference, used in case of those who are named in the preceding tables. The two classes of ministers, those in charge of churches and those who have no charge, are thus conveniently distinguished in this list, the former by a page number, and the latter by the year of ordination, against their names.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further, 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person resides elsewhere.

SAFETY

From Accidents is an impossibility in this world, and those who fancy they can attain it are laboring under a delusion that may have a bitter ending. Even

Clergymen, Lawyers, Editors, Teachers,

and those engaged in the many other quiet clerical employments of life, are maimed and killed in large numbers every year, from causes irrespective of their employments, such as

Railroad Accidents, Burning Buildings, Explosions, Runaways, Slips, Falls, Scalds,

and a countless host of other casualties which no care can foresee or avert, leaving them and their families liable to bitter suffering from lack of money during disability, and the latter to still worse penury if

DEATH ENSUES FROM THE ACCIDENTAL INJURY.

Against these terrible evils, protect yourselves and families by an accident policy in

THE TRAVELERS INSURANCE COMPANY

—OF—

HARTFORD, CONN.,

which for a small premium guarantees weekly indemnity while disabled from accident, and principal sum in case of death.

It issues also all the ***BEST FORMS OF LIFE POLICIES,*** *at Rates as low as any sound company in the world, with a clear and brief contract which all can understand and no reasonable man can object to, and with amplest security.*

ORDINARY LIFE, *best protection for the Family.*

ENDOWMENT, *best investment for Personal Benefit.*

COMBINED *(Life Policies with Indemnity Contract attached), at lower rates than most companies charge for Life Policies alone.*

Assets, $7,435,000. **Surplus, $1,868,000.**

Paid Policy-Holders, over $9,000,000.

JAMES G. BATTERSON, President. **RODNEY DENNIS, Secretary.**

JOHN E. MORRIS, Assistant Secretary.
